

Good Coffee or Good Beer

Good coffee or good beer
Ain't nothing like that first sip of
Good coffee or good beer
When that mug is drawing to your lips
You know it's gonna feel so right
No matter that you'll face
That oh-so bitter aftertaste
Ain't nothing gonna take the place of
Good coffee or good beer.

And that's just the way it is
That's just the way it is
That's just how they do, baby
A lot like you.

You left me a fool
But that don't change my mind
That the time I spent with you
Was something so fine
You walked but left a trace
No tears can erase
That oh-so bitter, bitter aftertaste
Ain't no one ever gonna take your place
You're like good coffee or good beer

And it's just the way it is
It's just the way it is
It's just how you do
Ain't lost my taste for you

You're like good coffee or good beer
Good coffee or good beer
Good coffee or good beer
Won't you bring that mug back over here...
