

## I Heard the Door Slam

I took a walk in the park  
Sun was shining but it seemed so dark  
You told me then that we were through  
You didn't love me like you used to do  
I heard the door slam  
I heard the door slam  
I heard the door slam  
Now I don't know what to do--Got no plan

You called me up on the telephone  
You found a little girl you would not leave alone  
I took a breath. I closed my eyes  
I'll be damned before you hear me cry  
I heard the door slam  
I heard the door slam  
I heard the door slam  
Now I don't know what to do--got no plan

Went to the bar, had me a few  
Didn't stop me much from thinking 'bout you  
So I had some more. Stepped outside  
Turned 'round to go back in when I realized,  
I heard the door slam  
I heard the door slam  
I heard the door slam  
Now I don't know what to do--got no plan

Went to work late the very next day  
Boss turned me round sayin' "Just stay away"  
Called my best friend asked for a loan  
Turns out she's the girl you just can't leave alone  
I heard the door slam  
I heard the door slam  
I heard the door slam  
Now I don't know what to do  
Got no plan
