

## If Romeo Was Married

Self-righteous women talking trash all over town  
You can call her a whore--call her a clown  
Swear no such thing would ever happen to you  
You would never love a man that you don't want to

But you don't know  
You don't know 'till you've been there  
You don't know. Fine intentions--Thin air  
You don't know. You ain't walked in those shoes yet  
If Romeo was married, what would happen to Juliet?

You talk all about it--say the girl's running wild  
Taking what ain't hers, baby, just like a child  
Talking low self-esteem. No moral fiber  
Say the girl's goin' to hell where the devil's gonna fry her

But you don't know  
You don't know 'till you've been there  
You don't know. Fine intentions--Thin air  
You don't know. You ain't walked in those shoes yet  
If Romeo was married, what would happen to Juliet?

Don't know how it happened  
Didn't know it could  
Don't know how that sweet girl  
Turned so no good

I used to sit so pretty up on my moral throne  
Talking nasty 'bout women won't leave married men alone  
So sure... so sure I'd never fall  
Treat them hanging-round women like they's no good at all

But you don't know  
You don't know 'till you've been there  
You don't know. Fine intentions--Thin air  
You don't know. You ain't walked in my shoes yet  
If Romeo was married, what would happen to Juliet?  
What would happen to Juliet?  
What would happen to Juliet?

Star crossed ...
